RACE *to* SHOWDOWN
THE JOURNEY TO DIVINE LOVE

The Purpose

To facilitate our theme of ***The Journey to Divine Love***, we will race to the Houses of Allah across Texas in search of His love and the love of each other.

How to Win

- An MSA ***must post a picture of a different MSA member who is a current student at University in Spring 2023*** wearing their respective MSA merch at all twenty-three chosen Masajid across Texas
- An MSA must **complete one Detour** picture within the allotted time. A Detour picture voids one non-Suhbah post from another MSA
- An MSA must **post at least three Suhbah posts.** **Suhbah posts protect your picture from detours.**
- ONLY **three** posts of any kind are allowed per day.
- **Keep track of your posts** using the Individual RTS Trackers shared with your respective MSA

What is a Picture?

- A Picture **must be taken inside the Masjid** **unless the Masjid is inaccessible** - in which case it is allowed to take pictures outside of the Masjid.
- Posted Pictures must tag LSC, set the location to the given masjid, and tag the MSA member who is in the picture.
 - If MSA member does not have Instagram, tag the MSA President).
- MSAers must be wearing their **School Merchandise** or their **MSA Shirt**.

What is a Detour?

- A detour can nullify/void a non-Suhbah Picture from another MSA at the time of completion.
 - Suhbah posts will not be considered complete until posted on **both** accounts.
- The MSA that has been detoured must repeat the picture they have been detoured for at the discretion of the MSA completing the detour.
- Detour picture locations are not released ahead of time.
- Detour pictures are time sensitive and can only be capitalized within the allotted time.
- **You cannot Detour a Detour** — Detour pictures are protected and locked.

Detour Rules

- Post an **INDIVIDUAL** picture at the locations listed **within the next 48 hours (11:59PM Sunday Night)**
- Schools can complete both detours
- **Tag the MSA** you want to detour & mention the specific no-suhbah **masjid** that you want that MSA to repeat
- The school that has been **detoured** needs to go back to that masjid and **retake** their picture **with a banana & do the sign/hand gesture of the school that attacked you** (Ex: if TAMU detours you, you have to hold up a “Gig em ”)
- The same person can retake photo or it can be someone else

What is Suhbah?

- A Suhbah Picture is a collaborative Instagram post between two MSAs using the official MSA accounts (found in doc)
- The Suhbah **MUST be taken at one of the school's respective Masjids** (UNT and UH cannot do a Suhbah at UTEP's masjid)
 - Ex: UNT and UH can only do Suhbah with each other at UH's Masjid or UNT's Masjid)
- Suhbahs **CAN** be repeated with the same school
 - Ex: UH and UNT can do Suhbah at UNT's Masjid **AND** Suhbah at UH's Masjid

Suhbah Requirements

- Each Suhbah Picture must have at minimum 1 person from each school
- A Suhbah Picture must follow the same rules as a normal picture (School/MSA merch, MSA LSC tag, Individual tag, Set Masjid Location)
- A Suhbah Picture **CANNOT** be mixed gender photos
- Each MSA is **required to post at minimum 3 Suhbah pictures from people outside your city/locale**
- Suhbah Pictures cannot be impacted by Detours AND can be repeated by the same individual (ie multiple Suhbah from same person)

Engage with the community — pray there, donate there, speak to the scholars and community members there, connect in some way with the masjid and then capture a photo.

This is how you connect the theme of ***The Journey to Divine Love*** because you are in the House of Allah SWT.
